

Extreme Summer Weather Community Response Plan

Any time an extreme weather warning is issued from Environment Canada – Warnings issued here: [Criteria for public weather alerts - Canada.ca](https://www.ec.gc.ca/meteo/11301592-8f9e-4941-b06a-94c801996644/criteria-for-public-weather-alerts-canada-ca)

EXTREME HEAT

Extreme heat warnings are issued when forecasted temperatures are 32°C (38°C with humidex) or higher during the day and no less than 16°C overnight for two consecutive days. An extended heat warning is issued for the same conditions for 3 days or more. However, there can still be extreme heat without a warning being issued and this can still pose serious risks to people. High humidity (humidex) can exacerbate heat related illnesses by making it harder to sweat to cool off because the air is already saturated with moisture.

The Plan

- 1- End Homelessness Winnipeg will call an emergency weather committee meeting, the committee includes representatives from the following stakeholders:
 - The City of Winnipeg Office of Emergency Management and first responders
 - Emergency shelters and community organizations providing mobile outreach, safe space, drop-in and meal services to people experiencing homelessness
 - Health care providers
 - Government and philanthropic funders
 - Environment and Climate Change Canada
- 2- Extreme Weather Fund: the Extreme Weather Response funding is meant to supplement the work of homelessness serving community organizations. Organizations must deliver direct services to individuals who are experiencing homelessness during the extreme weather period. It is not a requirement for organizations/agencies to be funded through Reaching Home; however, this is not for organizations to start a new outreach, drop-in, or shelter project.
- 3- Community organizations- In periods of extreme heat community organizations will provide water, cooling locations and pop-up cooling tents and supplies for the community.
- 4- City of Winnipeg- [Emergency Preparedness website](#)

Water and cooling donations:

Water and cooling donations of hats, sunscreen, clothing, popsicles fruit etc. can be dropped off at the following organizations:

Donation drop off locations	City of Winnipeg Hydration stations
<p><u>N'dinawemak</u> 190 Disraeli Donation times: Monday to Friday 9-5pm</p>	<p>The stations feature a bottle-filling spout that can be accessed 24-hours a day with the push of a button</p>
