#### **Independent Auditors' Report**

To the Directors of Main Street Project, Inc.

#### Qualified Opinion

We have audited the accompanying financial statements of Main Street Project, Inc. (the "organization"), which comprise the statement of financial position as at March 31, 2021, and the statements of operations, changes in fund balances and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the *Basis for Qualified Opinion* section of our report, the financial statements present fairly, in all material respects, the financial position of the organization as at March 31, 2021, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

#### Basis for Qualified Opinion

As disclosed in Note 2(e) to the accompanying financial statements, the amortization policy for property and equipment states that the building at 71 Martha Street is being amortized at a rate equal to the reduction of the mortgage principal for the year, which constitutes a departure from Canadian accounting standards for not-for-profit organizations. This amortization policy is required by the agreement with Manitoba Housing and Renewal Corporation. The effects of this departure have not been determined. Therefore, we were not able to determine the adjustments necessary with respect to amortization expense, excess of revenues over expenses, and cash flows from operations for the years ended March 31, 2021 and 2020, property and equipment as at March 31, 2021 and 2020, and fund balances as at March 31, 2021 and 2020 and April 1, 2019. Our audit opinion on the financial statements for the year ended March 31, 2020 was also modified because of the effects of this departure from Canadian accounting standards for not-for-profit organizations.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

#### Other Information

Management is responsible for the other information. The other information comprises the organization's annual report.

Our opinion on the financial statements does not cover the other information and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

The annual report is expected to be made available to us after the date of the auditors' report. If, based on the work we will perform on this other information, we conclude that there is a material misstatement of this other information, we are required to report that fact to those charged with governance.

#### **Independent Auditors' Report - continued**

Responsibilities of Management and Those Charged with Governance for the Financial Statements Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the organization's financial reporting process.

#### Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to
  fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
  evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not
  detecting a material misstatement resulting from fraud is higher than for one resulting from error,
  as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override
  of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

#### 1. Nature of operations

Main Street Project, Inc. (the "organization") exists to provide shelter and access to services that meet the day-to-day needs of all people who are homeless or under-housed including those with chronic addictions and related health issues. The organization is incorporated under the Manitoba Corporations Act as a not-for-profit organization and is a registered charity under the Income Tax Act.

#### 2. Significant accounting policies

These financial statements are prepared in accordance with Canadian accounting standards for not-for-profit organizations. The significant accounting policies used are detailed as follows:

#### a) Fund accounting

The organization follows the deferral method of accounting for grants, allocations and contributions.

The Operating Fund accounts for revenues and expenses related to program delivery and administrative activities.

The Restricted Fund accounts for assets, liabilities, revenues and expenses segregated for specialized purposes.

The Capital Fund reports the assets, liabilities, revenues and expenses related to the organization's property and equipment.

#### b) Revenue recognition

Restricted amounts are recognized as revenue in the year in which the related expenses are incurred.

Unrestricted amounts are recognized as revenue when earned and collection is reasonably assured.

#### c) Investments

Investments are initially and subsequently measured at fair value. Changes in fair values are recognized in the statement of operations in the period incurred. Transaction costs that are directly attributable to the acquisition of these investments are recognized in net income in the period incurred.

#### d) Contributed goods and services

In the normal course of business, the organization receives food supplies in carrying out its support services. Neither the value nor cost of these contributed goods and services are recognized in these financial statements.

March 31, 2021

#### 2. Significant accounting policies (continued)

#### e) Property and equipment

Purchased property and equipment are recorded in the Capital Fund at cost. Contributed property and equipment are recorded in the Capital Fund at fair value at the date of contribution. Amortization is provided on a basis designed to write off the assets over their estimated useful lives, except for the 71 Martha Street building (as required by Manitoba Housing and Renewal Corporation) as follows:

Building - 71 Martha Street		annual mortgage principal reduction
Buildings - 75 and 77 Martha Street	40 years	straight-line
Building - Mitchell	40 years	straight-line
Furniture and equipment	5 years	straight-line
Parking lot	12.5 years	straight-line
Vehicles	10 years	straight-line

Contributions towards the purchase of property and equipment are deferred and amortized over the same basis as the underlying asset.

#### f) Financial instruments

The organization recognizes its financial instruments when the organization becomes party to the contractual provisions of the financial instrument. Financial instruments are initially recorded at fair value with subsequent reporting at amortized cost.

It is management's opinion that the organization is not exposed to significant credit, currency, interest rate, price, or market risks arising from its financial instruments.

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The organization is exposed to liquidity risk as current liabilities are greater than current assets.

#### g) Allocation of expenses

The organization classifies its expenses by program and allocates its salaries and benefits expense and other general support costs to a number of programs to which the expenses relate. Salaries and benefits expense has been allocated based on the number of hours incurred directly in the undertaking of the programs. The organization also allocates certain general support costs by identifying the appropriate basis of allocating each component expense and applies that basis each year.

#### h) Accounting estimates

The preparation of financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reported period. These estimates are reviewed periodically and are reported in earnings in the period in which they become known. Actual results could differ from these estimates.

March 31, 2021

#### 3. Funds held in trust

In September 2000, the Board of Directors agreed that in appropriate cases, the organization may agree to administer funds on behalf of clients. The service is only provided to clients whose life, health or well-being may be compromised if the service is refused. Funds held on behalf of clients as at March 31, 2021 was \$2,418 (2020 - \$2,418).

Funds held in trust of \$4,535 (2020 - \$4,535) relate the the organization's social club.

Amortization expense of \$235,958 (2020 - \$191,421) is included in expenses of the Capital Fund.

March 31, 2021

#### 6. Deferred contributions for property and equipment

Deferred contributions for the purchase of property and equipment of \$3,587,708 (2020 - \$222,672) represent grants received for furniture and equipment, vehicles and building renovations. These grants are amortized over the life of the respective asset in the Capital Fund within the statement of operations of the Capital Fund.

#### 7. Deferred contributions

Deferred contributions represent restricted funding and unspent resources externally restricted for the Operating Fund which relate to the subsequent year.

	<u>2021</u>	<u>2020</u>

	<b>\$ 413,692</b>	\$ 446,534

The Manitoba Housing and Renewal Corporation (MHRC) mortgage is secured by a general security agreement over the building.

The organization receives an annual subsidy from MHRC to fund property taxes and mortgage principal and interest payments related to 71 Martha Street. In 2021, a subsidy of \$7,400 (2020 - \$7,400) has been recognized as revenue of the Operating Fund and \$68,150 (2020 - \$68,150) has been recognized as revenue of the Capital Fund.

MHRC mortgage interest of \$33,451 (2020 - \$37,697) is included in expenses of the Capital Fund for Mainstay - Residential Component and the mortgage interest of \$17,396 is included in expenses of the Capital Fund for Shelter program.

March 31, 2021

#### 8. Long-term debt (continued)

In a prior year, under the terms of the Financial Assistance Agreement, MHRC provided economic stimulus funding to Main Street Project, Inc. in the amount of \$7,000 as a forgivable loan. The loan is to be amortized over 10 years from the date of the final advance. In the event the organization discontinues providing affordable housing prior to the maturity date, the unearned portion of the loan will become immediately due and payable.

The vendor take back mortgage is secured by a second mortgage against 637 and 643 Main Street in the amount of up to \$1,000,000.

The TD bridge loan is secured by:

- Assignment of Term Deposits and Credit Balances registered in the organization's name in the amount of CAD \$50,000;
- General Security Agreement representing a first charge on all the organization's present and after acquired personal property;
- Continuing collateral mortgage, representing a first charge on real property located at 637 Main Street, Winnipeg, Manitoba in the principal amount of CAD \$1,500,000, beneficially owned by and registered in the organization's name; and
- Assignment of fire insurance.

Loan interest of \$3,116 (2020 - \$60,306) has been capitalized to the Mitchell Building as it was not available for use during the year.

Principal repayments of the long-term debt obligation estimated to be required in each of the next five years are as follows:

2022	\$ 2,487,897
2023	40,318
2024	43,294
2025	46,490
2026	46,490

#### 9. Obligation under capital lease

Capital lease contract with equipment pledged as security, repayable in monthly installments of \$1,667 plus GST with no imputed interest with a maturity date of April 1, 2022 Less: current portion

Restricted funds consist of cash, investments, and amounts due to/from the Operating Fund.

During the year, the board approved a transfer from the Donations Reserve to the Operating Fund of \$Nil (2020 - \$125,774). Additionally, the board approved a transfer from the Operating Fund to the Replacement Reserve of \$9,800 (2020 - \$31,473).

Restricted funds are comprised of the following:

		<u>2021</u>	<u>2020</u>
Cash and high interest savings Term deposits Investment in equities	\$ 	73,987 50,338 120,853	\$ 93,012 50,338 100,820
	<u>\$</u>	245,178	\$ 244,170

March 31, 2021

#### 10. Restricted funds (continued)

#### Insurance Reserve

The Insurance Reserve comprises externally restricted funds designated to cover costs relating to insurance deductibles.

#### Replacement Reserve

The Replacement Reserve has been externally restricted for the purpose of funding future major repairs to the building.

#### **Donations Reserve**

The Donations Reserve comprises donations and related interest internally restricted by the Board of Directors. The funds in the reserve are designated for the needs of clients which are not budgeted.

#### Capital Asset Reserve

The Capital Asset Reserve comprises funds that have been internally restricted by the Board of Directors to cover potential future property and equipment expenditures not including major repairs to the building.

#### 11. Commitments

The organization is committed to monthly lease payments of \$4,113 for office space at 661 Main Street expiring May 31, 2022.

Additionally, the organization is committed to monthly lease payments related to certain vehicles and equipment. The lease repayments for the next 2 years are as follows:

2022 \$ 8,973 2023 \$ 4,455

#### 12. Contingency

The organization receives funding from the Winnipeg Regional Health Authority (WRHA). Pursuant to the terms of the funding agreement, WRHA is entitled to recover a portion of the global surplus realized in funded programs.

Any amount repayable or recoverable from WRHA is subject to analysis and negotiations. As the amount cannot be reasonably estimated, no liability or receivable has been recorded. Any amount repayable or recoverable will be accounted for when the amount is determined by WRHA.

March 31, 2021

#### 13. Pension Plan

The organization contributes to the Community Agencies Benefit Plans (the "Plan"), which is a multi-employer defined benefit pension plan. As part of the agreement, the organization's liability for pension benefits during the term of its participation in the Plan is limited to the contributions made to the Plan as required from time to time. As a result, contributions to the Plan are expensed as incurred and no liability or asset is recognized for any potential Plan funding shortfall or excess. During the year, \$263,942 (2020 - \$228,564) was expensed for the purpose of the Plan.

#### 14. Economic dependence

The volume of financial activity undertaken by Main Street Project, Inc. with its main funding bodies is of sufficient magnitude that discontinuance of their funding would endanger the ability of the organization to continue as a going concern.

#### 15. Endowment fund

An endowment fund has been established at the Winnipeg Foundation in the name of the organization. At March 31, 2021, the value of the fund is \$41,714 (2020 - \$33,158). Only the interest earned from the fund is distributed to the organization with no restrictions as to the usage.
